Organic Mushroom Extracts

Lion's Mane - Reishi - Cordyceps - Antrodia

Build Better Gummies With BeyondMushrooms

BeyondMushrooms is a premium line of organic mushroom extracts standardized to **70% beta-glucans**. Clinically validated at just 200mg per day and backed by the **world's only FDA GRAS notice** for mushroom extracts, it gives brands a clear edge in formulation, safety, and consumer trust.

Ideal for gummy formulations, it offers clean flavor, 100% solubility, and low-dose efficacy—ensuring more flexibility in the lab and more impact on the shelf.

	Sugar Per Serving?		 1-2g Single Gummy	 6-10g 3+ Gummies
	Extract Safety?		 FDA Notified GRAS	 Self-Affirmed Safety Only

Why BeyondMushrooms is Built for Gummies

Formulators know that creating an exceptional functional mushroom gummy is challenging—balancing flavor, potency, costs, and regulatory compliance.

BeyondMushrooms removes every formulation barrier, unlocking your gummy's full potential with unmatched potency, consumer-friendly flavor, and powerful credibility.

Step 1: Formulate Effortlessly

100% Soluble

Creates a smooth, grit-free gummy with no particles or residue, improving texture and mouthfeel

Color-Friendly

Clear in solution, allowing for bright, vibrant gummy colors without discoloration

Neutral Taste

No bitterness or earthy flavor, eliminating costly masking agents

Step 2: Improve Your Margins

Reduced Input Costs

Single-gummy serving reduces sugar, pectin, flavor, and packaging expenses

Compact Packaging

Smaller 30-gummy bottle saves on materials, shipping, and warehousing costs

Faster R&D

Neutral taste and full solubility simplify formulation, accelerating development and approvals

Step 3: Win Unmatched Credibility

FDA-Reviewed Safety

World's only FDA-notified GRAS mushroom extracts, building unmatched consumer trust

Clinically Proven

Validated by peer-reviewed human studies at 200mg, allowing bold product claims

Potent & Domestic

California-grown extracts standardized to 70% beta-glucans guarantee quality

Lion's Mane
Cognitive Support

Reishi
Immune Support

Cordyceps
Energy Support

Antrodia
Liver Support
